Dear Sir/Madam:

RENEWED PETITION TO REVIVE UNDER 37 C.F.R. 1.137b)

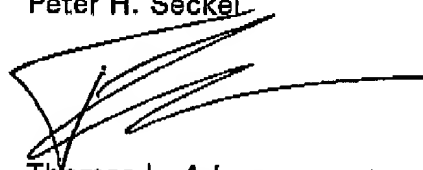

The Decision mailed September 3, 2004 accompanying this Renewed Petition essentially required a revised statement regarding the unintentional delay. The following complies with that requirement.

The undersigned represents the applicant in the above captioned matter. When the Notice of Allowance came to the undersigned's office, the client came by to pick it up. Consequently, this Notice was handled out of the normal stream of paper and the deadline was not entered into the docketing system. When the undersigned noticed the passage of the deadline, a Petition was promptly prepared and submitted July 13, 2004. Thus, the issue fee was not paid by the deadline inadvertently. Therefore, the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional.

I previously submitted a credit card form in the amount of \$1,339.00 (\$665.00 for issue fee, \$665.00 for the petition fee and \$9.00 as an advance order of copies of patents.)

I hereby declare that all statements made herein on information and are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under §1001 of Title 18 of the U.S. Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Respectfully submitted,
Peter H. Seckel

ON PETITION

This is a decision on the petition under 37 CFR 1.137(b), filed July 13, 2004, to revive the above-identified application.

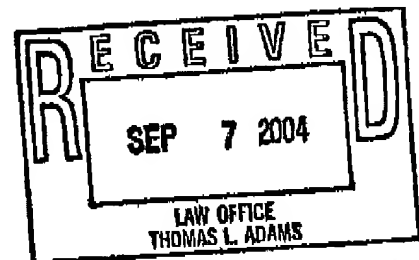

The petition is **DISMISSED**.

Any request for reconsideration of this decision must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "**Renewed Petition under 37 CFR 1.137(b)**." This is **not** final agency action within the meaning of 5 U.S.C. § 704.

A grantable petition under 37 CFR 1.137(b) must be accompanied by: (1) the required reply, unless previously filed; (2) the petition fee as set forth in 37 CFR 1.17(m); (3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional; and (4) any terminal disclaimer (and fee as set forth in 37 CFR 1.20(d)) required by 37 CFR 1.137(c). Where there is a question as to whether either the abandonment or the delay in filing a petition under 37 CFR 1.137 was unintentional, the Commissioner may require additional information. See MPEP 711.03(c)(III)(C) and (D). The instant petition lack item (3).
